

KanCare Ombudsman Liaison Training

The *KanCare Ombudsman* office has a mission to strengthen and extend its services through education and support to those community organizations committed to helping local residents navigate the complex health care delivery system. We are now offering a *KanCare Ombudsman Liaison Training* course in **Wyandotte County on Thursday, June 29, 2017 from 9:00am-12:00pm**. This in-person training is designed to help community organization staff members that work with Kansas Medicaid consumers to acquire a better understanding of (1) The Basic KanCare Programs including Home and Community Based Services and (2) How to Assist with Medicaid Applications. There will also be an opportunity in the future to register for ongoing education on Medicaid related issues. There is no fee for the training. It is provided as a service to community organizations for capacity building.

Interested staff must register for the course. **This course is not intended for individual consumers and/or their families.**

Please fill out this form and return to Lisa Churchill at Lisa.Churchill@ks.gov

Registration is first-come,first served, and must be done using this registration form.

This training session will be held at: **Community Health Council of Wyandotte County, 803 Armstrong Ave, Kansas City, KS 66101.**
