

MCO (Managed Care Organization) Grievance Process

The **MCO Grievance** process is for KanCare members who are currently receiving services and have a managed care organization (MCO) such as Aetna, Sunflower or United. If the member has a complaint regarding their MCO or one of its network providers, this grievance will be filed with the member's managed care organization.

What is a Grievance? A grievance is an expression of dissatisfaction about any matter other than a *Notice of Adverse Benefit Determination* (previously called an Action).

Note: A *Notice of Adverse Benefit Determination* is when a managed care organization (MCO) or state agency sends a notice that there has been an adverse decision/determination made regarding your eligibility or benefits (i.e. MCOs, such as Aetna, Sunflower or United, or a state agency such as Kansas Department of Health and Environment, Kansas Department of Aging and Disability Services or Kansas Department of Children and Families). A grievance does NOT change an adverse benefit determination.

When would I file a Grievance? If the member has a complaint regarding their MCO or a network provider's services concerning such things as quality of care, access to care, your rights and dignity, or poor behavior of a provider, an MCO or an MCO associate, you may file **an official complaint, or grievance:**

Possible subjects or examples of a KanCare (MCO) Grievance might be:

- You are unhappy with the quality of your care or services provided
- Poor behavior by an employee of the MCO or their provider
- The failure to respect a member's rights and dignity
- Issues with transportation
- You received a bill from a provider that should be covered by KanCare (your MCO) and the MCO said they are not covering it.
- If the MCO extends the timeframe for issuing an authorization decision, the Member can file a grievance if the Member disagrees with that decision.
- Did not receive culturally appropriate care. Once the member has completed the grievance process, if unable to obtain culturally appropriate care, you can contact the KanCare Ombudsman's office for assistance.

How do I file a KanCare Grievance?

- Call or write to the MCO about it; or
- Ask a representative of your choice to call or write to the MCO. If you ask a provider or other person to call or write to the MCO, you will need to include written approval for them to represent you. You may choose from one of the following:
 - The written approval is usually a form found in your managed care provider's manual. <http://www.kancare.ks.gov/providers/health-plan-information>
 - Authorized Representative Designation Form: for Grievances, Appeals and Hearings
 - Medical Representative Authorization: for persons on Medicaid to authorize (allow) another person to help them with medical calls, paperwork, etc. If the person assisting is a DPOA or Guardian, they must include that paperwork with this form. Read the form carefully for details.

What documentation do I need?

You can file a grievance without providing documentation.

If you have a record of when phone calls were made, who you talked to, general info regarding the conversation, that may be helpful.

What is the timeline?

- **NEW** - There is no deadline to submit a grievance.
- The MCO must acknowledge in writing the grievance was received within 10 calendar days.
- **NEW** - All grievances must be resolved, and issue notice sent no later than 30 calendar days following receipt.
- Failure of the MCO to send a grievance notice within the required timeframe means that the member is deemed to have exhausted the MCO’s appeal process and the member may initiate a state fair hearing.
