

## KanCare Ombudsman Liaison Application Assistance Guide

If your organization provides Application Assistance for Medicaid consumers, please let us know. It may be easier for a consumer to reach your office than ours or vice versa. If your office does NOT provide Application Assistance, please refer those applicants to the KanCare Ombudsman office at 1-855-643-8180 or to one of the organizations on this referral list. Let's work together to reach more Kansans in need!
