

# OneCare Kansas Target Population ICD-10 Codes

## Overview

The OneCare Kansas (OCK) ICD-10 codes were last expanded on April 1, 2021. Below is a complete list of ICD-10 codes for reference. Providers using these codes and uncertain about a member's eligibility for OCK should know there are no penalties for submitting referrals. Providers should submit the available information, and the Managed Care Organizations (MCOs) will assist in confirming the member's eligibility for services.
