 Registration instructions can be found in the body of the email to which this document is attached.
 If you have any questions about training, please email MedicaidTraining@ks.gov.

Objectives:

Participants will understand...

Kansas Medicaid Grievance, Appeals, & State Fair Hearings (G/A/&SFH)

1. the process of initiating a Grievance, Appeal or State Fair Hearing request.
2. the basic requirements and timelines related to Grievance, Appeal or State Fair Hearing requests.
3. the responsibilities of the MCOs, the State of Kansas, providers and members related to Grievance, Appeal or State Fair Hearing requests.
4. changes implemented in 2018 that impacted a member's course of action. Including the new requirement to initiate an appeal.

Medicaid Eligibility

1. the process for application for Medicaid or Children's Health Insurance Program (CHIP) coverage.
2. the basic income levels set for families and children to achieve Medicaid and CHIP eligibility.
3. the process for application for Medicaid coverage.
4. the basic income levels set for the elderly and individuals with disabilities to achieve Medicaid eligibility.
5. the concepts of Protected Income Limit (PIL), spenddown, and patient liability.
6. presumptive medical disability and how it works.

Home and Community Based Services (HCBS) Eligibility*

1. the process for application for Medicaid coverage when the individual is seeking HCBS.
2. the basic income levels set for individuals who want to receive HCBS.
3. the concepts of protected income limit (PIL) and client obligation.
4. how functional eligibility works for individuals who want to receive HCBS.

**This course will not cover specific HCBS waiver services.*

History of KS Medicaid Managed Care

1. the long history of Medicaid managed care in Kansas, including the legislative requirement for it.
2. how various Medicaid populations and geographic regions were included in managed care.
3. the differences and similarities between KanCare (today's Medicaid managed care) and earlier Medicaid managed care programs.

Working Healthy/WORK & Work Incentives

1. an overview of the KS Medicaid Buy-In, Working Healthy.
2. an overview of WORK, the personal assistance program for Working Healthy.
3. the importance of employment for people with disabilities.

Work Incentives

1. the difference between Title II benefits and Title XVI.
2. that Social Security encourages people to test their ability to work.
3. a brief insight into the provisions of Medical and Cash Work Incentives provided through the Ticket To Work and Work Incentives Improvement Act of 1999.

Medicaid Overview

1. the statutory and regulatory background of Medicaid.
2. that Medicaid requires coverage of certain populations and services, while others are optional.
3. the basic financing of Medicaid.
4. how the State administers regular medical, behavioral health and long-term care services under Medicaid.

Early Periodic Screening Diagnosis and Treatment (EPSDT) mandate – Kan Be Healthy*

1. the federal requirements of the EPSDT mandate for participating states.
2. the services which are subject to the EPSDT mandate.
3. the periodicity schedule required for EPSDT coverage in Kansas.
4. the concept of medical necessity and other permissible limits on EPSDT-eligible services.
**This session is not designed to train anyone to complete a Kan Be Healthy screening.*

Presumptive Medical Disability Team (PMDT)

1. how a PMDT determines disability for certain KanCare programs.
2. the correlation with Social Security Disability criteria.
3. what documentation is needed for a PMDT disability determination.
4. sample cases and scenarios to better understand the process.

Medicaid & Children's Health Insurance Plan (CHIP) State Plans

1. what a State Plan is and why we have one.
2. learn the sections of a State Plan.
3. the difference between the Medicaid State Plan and Children's Health Insurance Program (CHIP) State Plan
