

## Agency Provided Services

Service	Service Definition	
<b>Pre-Vocational Services</b>	Career exploration, training in work-related skills (punctuality, attendance, work behavior, etc.), internships or work experience in a competitive, integrated setting.	
<b>Independent Living Skills Training</b>	Training to develop or improve skills necessary to live as independently as possible, such as personal hygiene, household and money management and use of public transportation.	
<b>Transportation</b>	Transportation to and from job interviews, work and essential locations such as grocery stores and banks.	
<b>Supported Employment</b>	Supported Employment includes a number of services which assist participants in obtaining and maintaining employment. Supported Employment can involve one-on-one assistance to assist participants to become oriented to a new job, learn job responsibilities, practice work-appropriate and safe behavior, etc.	
<b>Personal Assistance Services (PAS)</b>	Assistance with Activities of Daily Living (ADLs) and Instrumental Activities of Daily Living (IADLs) for individuals unable to perform these tasks independently; may be hands-on assistance or cuing and prompting. <b><i>PAS services are only available to individuals with a primary behavioral health diagnosis if they also are on a waiver or waiver waiting list.</i></b>	
<b>Only available with PAS</b>	<b><i>Enhanced Services</i></b>	Assistance for participants who require hands-on care during the night, including re-positioning, tracheotomy care, and care for chronic incontinence; need must be documented by a physician.
	<b><i>Home Delivered Meals</i></b>	Meal delivery if determined cost-effective when compared meal preparation by a personal assistant.
	<b><i>Personal Emergency Response (PERS)</i></b>	Personal Emergency Response Systems (PERS) allowing participants to seek help when alone.
	<b><i>Medication Reminder/Dispenser</i></b>	A device, monitored or unmonitored, that provides reminders for medication times and dispenser proper doses.
<b>Assistive Technology</b>	Medically necessary equipment, devices and environmental modifications <u>not</u> already provided under the Medicaid State Plan, that enhance the functional abilities of individuals with disabilities, with emphasis on supporting employment and independent functioning.	
<b>Community Service Coordination (CSC)</b>	Case management. Assisting participants to make program choices, locate and direct services, develop and obtain approval for Emergency Back-Up Plans, perform fiscal management responsibilities and complete paperwork; monitoring services and progress to complete goals; linking and referring participants to community resources and non-Medicaid supports such as education, employment, and housing.
