

Public Conference Calls– KanCare Request for Proposals

The Kansas Department of Health and Environment (KDHE) is providing an update on the development of the Request for Proposals (RFP) for the 2019 KanCare Managed Care Organizations (MCOs) contract.

Previous public meetings were held in May 2016 and June 2017, as well as meetings with provider associations and advocacy organizations, to collect ideas and input for the development of the RFP. Prior to posting the RFP, KDHE will provide an update related to what new requirements will be part of the RFP and how public input has been used to create the RFP.

KDHE will enter into new contracts with MCOs in June 2018 for implementation of the new KanCare program effective January 2019. This will coincide with the implementation of the renewed KanCare 1115 demonstration waiver.

Conference calls will be held for both members and their families, and providers as detailed below. Conference lines are limited to 200, so both members and providers are encouraged to gather in rooms where a conference line can be shared via speakerphones.

Date	Time	Intended Audience	Conference Number
October 19, 2017	12:00-1:30pm	Members/Families	1-833-795-0476 Conference code: 92204882
October 19, 2017	6:00-7:30pm	Members/Families	1-833-795-0476 Conference code: 92206527
October 17, 2017	12:00-1:30pm	Providers	1-833-795-0476 Conference code: 92202878
October 17, 2017	2:30-4:00pm	Providers	1-833-795-0476 Conference code: 92659709

The two calls for each day will be the same. The presentation for each audience can be found here: <http://www.kancare.ks.gov/about-kancare/kancare-renewal>. The calls will include a brief presentation and then allow participants to ask questions about the KanCare RFP. That is the only topic of each call. There will be public hearings about the KanCare 1115 demonstration waiver renewal in November 2017.

KDHE requests that providers help make members aware of this opportunity to hear about the KanCare RFP and, if possible, support them in accessing the member presentation and attending a member call.
