- Vision – page 5-6
- Dental – page 6-8

Kansas Medical Assistance:

- **Hospital and clinic bills** – ask about *Patient Financial Assistance Programs*. Ask “what are the qualifications?” for each hospital or clinic. The hospital or clinic may write off the patient co-pay (bill) or allow the patient to make a lower payment if eligible for the program.

Community Care Clinics provide whole-person, comprehensive care for the body, mouth, and mind, regardless of ability to pay. The clinics review each patient based on eligibility and a sliding scale. Many of the clinics take Medicaid, but not all; it is best to ask when you first contact them. If they say they take Medicaid, you should ask if they take your company’s insurance (Aetna, Sunflower, United).

Visit www.communitycareks.org/information-for-consumers/find-a-clinic/ for the most updated information on local clinics. Also see the listing below.

Pharmacy Assistance:

- **Prescription Assistance Program:** www.KansasDrugCard.com As a resident of Kansas, you and your family have access to a statewide Prescription Discount Card. Create and print your FREE discount prescription drug card below. This card will provide you with Rx medication savings of up to 75% at pharmacies across the state including Dillons, CVS/pharmacy, Hy-Vee, Walgreens, Kmart, Target, Walgreens, Wal-Mart, and many more. You can create as many cards as you need. This card is pre-activated and can be used immediately.
- **Needy Meds:** Find help with the cost of medicine: www.needymeds.org
- **RX Assist:** Patient Assistance Program Center: www.rxassist.org
- **Patient Assistance Programs:** For some medications, drug manufacturers have Patient Assistance Programs available. These programs help cover the partial or full cost of medications for uninsured patients. To access Patient Assistance Programs, patients will need to work with their prescriber.
- **Manufacturer Coupons:** Patients should check with their prescriber to see if there are coupons from the company that makes their medications. Patients can then take these coupons to their pharmacy to receive discounts on their medications.

See To Learn Program – sponsored by the Kansas Optometric Association; call 1-800-960-3937. A free vision assessment for your three-year-old by a participating Eye Care Council optometrist.

This is designed to detect vision conditions that require correction at an early age.

For eyeglass assistance, contact the local Lions Club to see if they might be able to assist with this type of request. To find your local Lions Club go to: <https://directory.lionsclubs.org/> and type in your city or a nearby city. Once you find a club, look for a website, phone numbers are not usually listed. On the website, look for a “contact us” section where you can send an email of inquiry. If your town says that they don’t have the resources, go to a nearby town (county seat) and ask them.
