## **Instructions for Completion of the ES-3104.6**

Enter the case name and case number at the top of the form for identifying purposes. If the applicant/recipient is different than the case name, enter their name in the Applicant/Recipient field.

1. Enter the current monthly gross OASDI (Social Security) benefit amount.
2. Enter the amount of the COLA disregard. To calculate the disregard, locate the COLA ratio (from the table on the front of the worksheet) for the month and year of the last SSI payment. Multiple this amount by the amount on line 1.

**Example:** If the last SSI payment was in 08/2001 and the current OASDI payment is \$1,000, then the COLA ratio of 0.3452 times \$1,000 = \$345.20, which is the COLA disregard.

If the individual lives with a spouse who also has OASDI, separate calculations are required to determine the COLA disregard for each spouse's own OASDI.

3. For a Pickle determination, subtract line 2 from line 1. This is the countable OASDI (Social Security). Enter this amount. For a QDW determination, enter the OASDI amount received by the individual prior to loss of SSI. For an ADC determination, enter the ADC benefit amount received prior to loss of SSI.
4. For a EDW determination, enter the monthly gross unearned income other than the EDW benefit. If none, enter zero.
5. Enter (and name the source of) the monthly gross amount of any other unearned income. If none, leave blank.
6. Enter (and name the source of) the monthly gross earned income. If none, leave blank.
7. Add lines 3, 4, 5, and 6. This is the total gross income. Enter this amount. If none, enter zero.
8. Enter the amount of the SSI Disregard computed via the ES-3103.5. Use of the ES-3103.5 is only required when there is countable earned income, otherwise the disregard is \$20.
9. Subtract line 8 from line 7. This is the total countable income. Enter this amount.

Identify the SSI benefit level for the appropriate living arrangement from the table on the front of the worksheet. If the amount in line 9 is less than the SSI benefit level, check "Eligible". If the amount in line 9 is greater than or equal to the SSI benefit level, check "Ineligible".

Sign and update the worksheet.
